The mission of the Nonprofit Risk Management Center is to inspire effective risk management and risk champions across the nonprofit sector. As a trusted advisor on a wide spectrum of risk topics, the Center partners with mission-focused, high-performing nonprofit organizations to make risk management accessible and impactful. The Center also develops and advocates innovative approaches to loss control and risk leadership. In addition to consulting services, the Center develops innovative Web applications, provides in-person and virtual training, and publishes articles and books covering a spectrum of risk issues facing mission-driven organizations. These resources are offered to inspire the confidence needed to take the risks that bring nonprofit missions to life.
