501(c) Services Becomes Platinum Sponsor of the Nonprofit Risk Management Center

LEESBURG, Virginia—The Nonprofit Risk Management Center (NRMC) is pleased to announce that long-time supporter 501(c) Services will be a Platinum Sponsor of NRMC for 2021.

501(c) Services has nearly 40 years of experience assisting nonprofits with comprehensive unemployment outsourcing programs that offer a safe way for nonprofits to legally stop paying the state unemployment insurance tax while still covering unemployment charges for former employees. They provide assistance to over 2,500 nonprofits in 34 countries.

501(c) Services has been a mission partner of NRMC since 2013. "We are delighted to support NRMC's critical mission as a Platinum Sponsor," said Cynthia Koral, Chief Marketing Officer. "Our relationship with NRMC affirms our deep commitment to help nonprofit organizations leverage resources to better serve diverse communities across the U.S."

Melanie Lockwood Herman, NRMC Executive Director adds: "We are delighted to showcase 501(c) Services for their longstanding commitment to risk management and service to the nonprofit sector. Together, our organizations are working to help nonprofits strengthen operations, financial health, and deliver the vital services so many people depend on each and every day. 501's support helps our team develop and deliver practical, educational risk resources year-round."

The NRMC team thanks the 501(c) Services team for their commitment and support of our mission to inspire risk-aware nonprofit leadership.
