The mission of the Nonprofit Risk Management Center is to change how leaders view, understand and respond to inevitable uncertainty and to inspire effective risk management in the nonprofit sector. As a trusted advisor on a wide spectrum of risk topics, the Center partners with mission-focused, high-performing nonprofit organizations to make risk management accessible and impactful. The Center's products and services help leaders of community-serving organizations embrace new approaches to loss control and risk leadership. In addition to consulting services, the Center develops innovative cloud applications, provides in-person and virtual training, and publishes articles and books covering a spectrum of risk issues facing mission-driven organizations. These resources help leaders free up financial and staff resources, inspiring the confidence needed to take mission-advancing risks.
