- Platinum Sponsor (\$25,000/year)** – Platinum Sponsors partner with NRMC on special initiatives to enhance nonprofit education and innovation. Platinum Sponsors are recognized prominently on nonprofitrisk.org, in a press release recognizing the partnership, through periodic mentions in NRMC's Risk eNews, and as lead sponsors for NRMC's educational programs, including the Risk Summit, Risk Leadership Certificate Program, and Virtual Conference (Risk Connect). The 2019 virtual conference will take place on May 14, 2019.
- Corporate Sustainer (\$15,000/year)** – Corporate Sustainers provide NRMC with financial support to help us carry out our mission. Corporate Sustainers are recognized on nonprofitrisk.org, in an announcement of Corporate Sustainer status in NRMC's weekly RISK eNews reaching more than 6,000 nonprofit professionals, and through premium positioning at the annual Risk Summit.
- Corporate Sponsor at the Risk Summit (\$7,500/event)** – NRMC's annual educational conference, the Risk Summit, attracts nearly 200 senior level risk management thought-leaders from the nonprofit and insurance sectors. Conference presentations cover many facets of risk management including ERM, governance, finance, human resource risks, serving vulnerable clientele, risk financing and more. A dedicated Expo area and small group breakout sessions allow sponsors to engage directly with attendees.
