*Meet the Class:*

**JULIE REYBURN** | DIRECTOR, RISK MANAGEMENT  
AMERICAN JEWISH WORLD SERVICE

Julie's role encompasses the development and implementation of Enterprise Risk Management tools and processes, and the monitoring and management of strategy and operational risks. Julie also champions travel risk management efforts at AJWS. In RLCP, Julie hopes to develop risk assessment and reporting tools that suit AJWS, and increase her capacity to identify, evaluate and manage both strategy and enterprise-wide risks.

**AMANDA RUDY** | QUALITY ASSURANCE & ACCREDITATION MANAGER  
COMMUNITY BASED CARE HOLDINGS

Amanda's risk oversight role emerged as her organization grew rapidly into a family of companies. Amanda is now leading the creation of a risk management plan for the family of companies, while managing incident reviews and claims reporting. She also sits on a risk management captive with other child welfare nonprofits. In RLCP, Amanda wants to hone her skills in insurance program oversight, risk function design, and risk reporting.
